Matilda's Game

by Denis Kilcommons

Matilda's Ninety-Nine Number Game is a book by Denis Kilcommons, published in 2015. The book features the fictional character Matilda, a boss monster in the game Dr. Lunatic and Dr. Lunatic Supreme With Cheese. Like many other bosses in the game, Matilda is made up of several separate parts. The game involves adding and subtracting cards as you help Matilda to beat her record at book stacking. For ages 6+, it is suitable for improving children's mental arithmetic.
