The Hungarian Pocahontas: The Life and Times of Laura Polanyi Stricker, 1882-1959 (East European Monograph)

by Judith Szapor

Laura Polanyi was born in 1882 in Vienna, the eldest child of Mihaly. From grade 5 (high schools had 8 grades at the time), Laura had been in the first. The wonderfully catchy title: The Hungarian Pocahontas: Laura Polanyi Striker, 1882-1959 is a biography of the Hungarian feminist turned American historian (The Hungarian Pocahontas: The Life and Times of Laura Polanyi Stricker, 1882-1959, East European Monographs).
