US Marine Corps (Ultimate Special Forces)

by Tim Cooke

Ultimate Special Forces is a military book series that provides detailed information about the United States Marine Corps, specifically focusing on the Marine Corps Special Operations Command (MARSOC). The series covers the history, training, and operations of the special forces within the Marine Corps. The books are written by Tim Cooke and include information on the special operations fitness test, the Marine Corps, and the sacrifices of the U.S. Armed Forces.

The series explores the ultimate example of Marine Corps Special Forces and their role in various conflicts and operations. It also delves into the training and physical fitness requirements of the Marine Corps, highlighting the importance of staying in top physical condition to succeed in the demanding environment of Special Forces operations. The books are a valuable resource for anyone interested in the history and tactics of the Marine Corps, especially those interested in the Special Operations Forces.
U.S. Army (2006-2007) .. We are mission-oriented meaning, we understand the (ultimate) objective, and ?DET
